Time Is Money!

Usually you do not earn interest on your money while you are waiting to be paid. If you take "**Cash Now**" you can invest your money now vs. later!

It May Take A While To Be Paid The Money That You're Due!

There are a number of reasons why a claim may be delayed. Competing claims, legal issues, or the need to supply additional documents can substantially slow the process. It's also important to know that in most cases there are no laws governing how quickly holders or trustees must pay claims, allowing them to invest and gain interest on the funds. With little or no incentive to release those funds, many claims can take from several months to several years to complete.

To meet the various financial needs of our clients, Global Discoveries has created several "Cash Now" programs. Find out which is right for you:

- Cash Express Program:
Offers you cash immediately. You receive a lump-sum payment in exchange for selling your claim rights to Global Discoveries
- Cash Advance Program:
Offers you the opportunity to receive a portion of your claim in advance. You can take some of it now and more of it later. It's your choice.
- Your Choice Program:
Tell us your needs and allow us to customize a program that will work for you.

With any option, the process will be fast and simple, and you'll typically get paid in five to seven business days. We handle all of the paperwork, pay you immediately and assume all of the risk. Should your claim be denied you will owe us nothing and will never have to pay us back a penny of the funds you were advanced.

Contact us today at info@globaldiscoveries.com or call (209) 593-3900 or toll-free at (800) 370-0372 to see if your claim meets the eligibility requirements for one of the above programs.
